IN LARNED, WE:

GROW

Larned is eager to see you succeed. We welcome all backgrounds and education to our community with open arms. We are eager to grow together.

CARE

Our small and passionate community means first-name familiarity wherever you go and safe streets for your children.

- + We live out compassionate lives on a daily basis. We have proudly served our fellow Kansans through the Larned State Hospital for more than a century.
- + World-class, 24/7 healthcare is right next door. The University of Kansas Health System now provides critical access services at our Pawnee Valley Campus.

EXPLORE

There's room for everyone's passion.

- + Our prolific hunting features the nation's best white tail deer.
- + Fort Larned, a national historic site, is home to the Guardians of the Santa Fe Trail.
- + Our Native American history means collectors have boundless opportunity for arrowhead hunting.

CONNECT

In Larned, success is not defined by what you do. Success is being who you are. Bring your big idea. We're ready to support you. Connect with your mission in a city known for supporting each other.
